

Putlake Adventure Farm

Risk Assessment 2012

Here at Putlake Adventure Farm we consider the Health and Safety of our visitor's utmost priority. We have regular checks in place to ensure that the Farm and its equipment is assessed and kept in good condition for all to enjoy.

Parent/Group Leaders are responsible for the well fare and supervision of children in their care on and around the farm, even if there is farm staff present.

Any First Aid will be the responsibility of the Parents or Group Leaders
